Mail Completed Form and Check To: Kentucky PTA, 148 Consumers Lane, Frankfort, KY 40601

Please Copy This Form. You May Want to Make Another Donation.

Founders Day Donations (Funds Leadership/Outreach Development)

A Founders Day gift is a donation from a local PTA/PTSA or a district PTA to Kentucky and National PTA. Some PTAs/PTSAs budget an amount each year and others collect donations during PTA/PTSA meetings. One half of all Founders Day gifts remain with the Kentucky PTA and one half sent to National PTA by Kentucky PTA.

Scholarship Donations

The Kentucky PTA awards several scholarships each year to teachers continuing their education toward a master's degree or Rank I, to high school seniors entering a Kentucky university or college to pursue a degree in education and to a parent pursuing an undergraduate degree in the fields of health or education. The money for these scholarships comes from three sources: Kentucky PTA Honorary Life Recognition, Student Leadership Recognition awards, and donations. Donations may be memorial (in memory of someone who has passed away), honorary (to honor someone still living), or simply a gift. One hundred percent (100%) of all monies received goes directly for scholarships.

Donations for Founders Day and scholarships may be submitted with this form, or submitted with your state and national dues payment form. All donations are fully tax deductible.
