### Big Box of Possibilities ... Headed Your Way!

The National Parent Teacher Association's (PTA's) Back-to-School Kit, now known as The Official PTA Kit, is incredibly exciting, especially if you love receiving a present that will help you give back to your school community. First of all, let me say this, I love getting mail! Well, not all mail (bills could be returned to sender, you know), but I love getting a letter from my niece or a card from a friend, and now I eagerly look forward to mailings from the PTA. The Official PTA Kit contains everything we need to run an effective and

### Include All Students and Families in Your PTA Activities

It is time to begin the new school year! We have a great opportunity to discover the diversity in our schools. Please remember the Exceptional Child Education (ECE) students and their families so that you include all families when forming your PTA Board and committees.

Work to include all families represented at your school! It is very rewarding to know and include the families of students with disabilities. They add a new dimension and valuable input to your PTA as you work to meet the needs of all students at your school. I encourage parents of students with special needs to serve on or chair an ECE committee to help increase awareness of the needs of those students who have special needs.

We all have so much to learn from each other and our different abilities. Together, we can work to provide an awesome year for all of the students in all of our schools.

exciting local unit—we only need to add enthusiasm and creativity. There is detailed information about Financial Matters and Programs. Also, there is an exciting School Year's Eve event sign-up and great information about the dads' involvement initiative, called the Men Organized to Raise Engagement (MORE) Alliance.

I don't want to give away all of the surprises, but for me, opening this kit was opening the door to opportunity. I know that sometimes we struggle to find the energy to keep things going at our schools, often feel we have run out of ideas, and believe that we just can't do one more thing. But actually we can, and we must—for the other parents, for the teachers, and for the students of our schools. And this kit will help you!

By now, we are all aware of President Obama's "call to service." For many of us, we have been answering this call for a long time, but we are aware that others have let their answering machine take the call. So let's take this time to open the

door and engage others in demonstrating that "Together We Can ... Make the Difference" in our schools, in our district, and in our city. Let's promise one another that this year will be the very best, because our students deserve the very best.

If you have not received The Official PTA Kit, please go online today to register for your unit's kit and to download select items from the kit at [www.pta.org/officialkit](http://www.pta.org/officialkit). I promise you won't be disappointed!

## Membership Drive Time— Welcome Back!

The time has arrived once again for our phenomenal membership drive. As summer winds down, school registrations and orientations begin. As we all know, this means that time is on our side to gather information for our families, communities, and friends. We need to engage, involve, and inform both old and new parents about the importance of supporting all schools in the PTA. The 15th District PTA has set goals to reach out to every school in Jefferson County during the 2009-10 school year. In doing this, we hope to highlight and demonstrate the importance of our motto, Together We Can ....

If you need any help during ice cream socials or setting up a place where people can learn more about the PTA, just let us know. We are here to help every parent/guardian and staff member exceed at achieving all goals in our children's lives. Let's aim high as a team. Get out there and promote the PTA, and I hope to hear from you all very soon. I will be keeping everyone updated on our progress throughout the year.

Second Vice President, Membership Chair

# 2009-10 PTA Reflections Theme “Beauty Is ...”

Want to do something fun and exciting for the students in your school? Participate in the National PTA’s Reflections Program.

Reflections is the National PTA’s Cultural Arts Program. Students in preschool through grade twelve are encouraged to express their thoughts and feelings on a given theme through the creative arts in the areas of Literature, Musical Composition, Photography, Visual Arts, Dance Choreography, and Film/Video Production. The 2009-10 Reflections theme is “Beauty Is ....” **The Kentucky PTA no longer has Dance Individual or Dance Group categories in order to conform to the National PTA guidelines.**

Participation in the Reflections Program is open to all students in attendance at a PTA/Parent Teacher Student Association (PTSA) school in good standing. Check your bylaws for an explanation of *a unit in good standing*. Entries are sent to the 15th District PTA, which submits winning entries to the Kentucky PTA. Entries for the National PTA level must be submitted by a state PTA. Membership in the PTA/PTSA for students or parents is not a requirement.

**Deadline: Thursday, October 22, 2009**

The Reflections Program provides the opportunity for all students from preschool through grade twelve to demonstrate their skills in the arts. The Core Content is now listed on all Kentucky PTA Reflections rules and guidelines. Inform your teachers of these.

**Each student may enter in any of the six art areas. Challenged students can enter in each art area in the Challenged category:**

- Literature
- Musical Composition
- Photography
- Visual Arts
- Dance Choreography
- Film/Video Production

**Each student enters in one age category:**

- Primary—Preschool Through Grade Two
- Intermediate—Grades Three Through Five
- Middle/Junior—Grades Six Through Eight

- Grades Nine Through Twelve
- Special Needs—Ungraded

Local PTAs can submit to the 15th District PTA by **October 22, 2009**, one entry from each grade in each category (e.g., Music, Photography, Visual Arts, Literature, Dance Choreography, and Film/Video Production).

Example: A PTA can enter one entry in third grade, fourth grade, and fifth grade (which is the Intermediate category) in the category of Music. They can also enter one entry in preschool, kindergarten, first grade, and second grade (which is the Primary category) in Music and so forth.

## What to Do

Familiarize yourself with the materials in the *Kentucky PTA Leaders’ Notebook* for PTAs/PTSAs. Reflections Chairman Sharon Whitworth (485-7450) has sent out information packets through the Pony to PTA presidents, principals, art teachers, music teachers, physical education (PE) teachers, Family Resource and Youth Services Center (FRYSC) coordinators, and literature teachers. All of these people should serve as a committee to develop your program.

Develop a Reflections Program-planning calendar using the 15th District PTA deadline of **October 22, 2009**, as your guide. Set interim deadlines, and identify key steps to meet your calendar deadlines.

Establish a budget for your school’s Reflections Program. Use this budget to prepare informational materials, to encourage student participation, to promote the Reflections Program with parents and community members, and to fund a recognition event for student winners at the local-school level.

Publicize the Reflections Program and “Beauty Is ...” theme in your school or PTA/PTSA newsletter.

Select impartial, qualified judges. Inform judges of the criteria to be used in evaluating/judging Reflections Program entries. (Refer to the rules for each category.) Inform all participants that the judges’ de-

isions are final. **Important:** Ensure that all students’ personal information (names, addresses, etc.) is hidden from judges’ view.

The Reflections Program is structured for PTAs to recognize students at the local, district, state, and national PTA levels. Remember to coordinate your Reflections Program with English, music, art, and PE teachers.

**Remember that Dance Individual and Dance Group are not categories anymore.**

For more information about sponsoring the Reflections Program, contact Sharon Whitworth at **485-7450**.

# Clothing Assistance Program

Each year, thousands of JCPS students are helped through CAP. CAP was established by the 15th District PTA more than 30 years ago to combat an ongoing problem—truancy. Numerous students were not attending school because they did not have appropriate clothing. This problem has increased because of the increasing number of schools that require uniforms. CAP provides a new uniform shirt and pair of pants for those students. All students referred to the program receive new socks and underwear. The entire family can shop our Family Room and leave with bags of clothes for school, play, and work.

This needed assistance would not be possible without the help from our local PTAs. Because the program is staffed entirely by volunteers, every school's PTA is scheduled to help at CAP twice during the school year. Three or four volunteers are asked to volunteer from 9 a.m. to 12:30 p.m. The volunteers may be asked to sort and hang donated items as well as assist any families who might be at CAP on that particular day.

In order to replenish the supply of clothing in our Family Room and used Uniform Room, we ask each local unit to sponsor a clothing drive during the year. Gently used clothing, belts, hats, gloves, jackets, and coats as well as monetary donations are welcome. Donated clothes can either be delivered to CAP or delivered through JCPS's Pony mail system.

We are located at 319 South 15th Street, near the Central High School Magnet Career Academy (MCA) football stadium. For more information, please contact me. We look forward to working with you to help families.

# Information for the Secretary

Submitted by Barbara Fischer, Secretary

## For the Secretary

The secretary is responsible for keeping accurate records of the association (recording secretary) and conducting the correspondence of the association (corresponding secretary). Some PTAs have one secretary who assumes both duties; and some PTAs have both a recording and a corresponding secretary. Your PTAs bylaws state whether or not your PTA has one or two secretaries.

## Duties of the Secretary

### Recording:

- Maintain an accurate record of your PTA's members as received from the membership chair or committee.
- Record all business transacted at each meeting of the association, the executive committee and board. A quorum must be present in order to transact business items. Present the minutes for approval at the next meeting.
- Have on hand for reference at each meeting a copy of your PTA's bylaws and standing rules; the agenda; the minutes of previous meetings, including treasurer's reports, a list of committees, including the names of the committee members; and a list of your PTA's members.
- In consultation with and at the request of the president, prepare before each

meeting a complete agenda, showing the order in which business should come before the group.

- Read or distribute printed copies of the minutes of the previous meeting.
- Call the meeting to order in the absence of the president and vice-president(s), unless the bylaws specify otherwise, and preside until a temporary chair is elected.
- Count a rising vote when requested by the presiding officer.
- Act as custodian of all records, except those specifically assigned to others, and promptly deliver all records to your successor.

### Corresponding:

- Conduct the correspondence of the association.
- Send out notices of executive committee, board and other meetings.
- Notify officers, committee members and delegates of their election.
- Using the form provided (Leaders' Notebook, Part I—Forms) promptly send the names, addresses and phone numbers of newly elected officers and those officers serving a second term to the Kentucky PTA Office.

**Note: No PTA materials may be sent to your PTA or PTSA until the name, address and phone number of your president (or a contact) is submitted. Include an E-mail address if available.**
