President's Letter

As another school year ends, we can be proud of what we have achieved as individuals, as families, and as Parent Teacher Association (PTA) leaders. This is a good time for your family to discuss ways to combine fun and togetherness with learning all summer long. For many children, summer can mean setbacks in learning that can take a toll on student performance over time. The National Summer Learning Association (NSLA) has free fact sheets and parent-friendly tools to download or link to at summerlearning.org.

Even though summer is a good time for relaxation and renewal of spirit, it is also a time for PTA leaders to prepare for back-to-school season. Do you have a plan to grow your membership and provide valuable programs for your school, students, and parents? Are you prepared to make a successful transition of leadership roles and responsibility? The

transition process is the responsibility of both the incoming and outgoing board members. It allows outgoing members to evaluate their efforts and get closure and incoming members to get prepared.

If you have been elected to a PTA office, there are several conferences this summer to help get you started and energized for the new school year. Seasoned veterans and returning officers will benefit from these conferences too. Make sure to include the cost of these conferences in your budget so your PTA officers can attend these events. They are legitimate PTA expenses that are well worth your time and money. You will find more information about these helpful trainings included in this newsletter.

- Attend the **Kentucky PTA Leadership Convention** in Louisville from **July 19 through 21**.

- Attend the **15th District PTA Back-to-School/Back-to-PTA Conference on September 20**.
- Schedule a **local board training**, where we come to your school and go over bylaws, job descriptions, and correct procedures for your entire board to hear at the same time. Start your year off right by calling Rose Babiak at **648-3698** to schedule a training.

We are here to help you better serve your students and schools. We are in the process of developing communication coordinators to assist you in a more in-depth way. If you have any suggestions or ideas or would like to serve on the 15th District PTA as a chairperson or on a committee, please call me at **485-3535**!

Treasurer's Report: It's Budget Time!

The budget is a financial representation of the activities and operations a PTA expects to conduct during a specified time period. The budget estimates income and expenses for the fiscal year and must be presented to the association for approval and recorded in the association minutes. The budget should coincide with the association's fiscal year.

Getting Started

The first step is to establish a budget committee. The budget committee is either appointed by the president or is elected according to the unit's bylaws and generally consists of three or five members. The committee is responsible for developing the annual budget. The treasurer should serve as the chairperson of the budget committee. The committee should meet soon after election to prepare the budget.

Process of Creating a Budget: Items to Consider

The budget will cover a one-year period and should be the same date as the unit's fiscal year.

- What projects does this year's PTA/Parent Teacher Student Association (PTSA) Board want to accomplish, and what will the cost(s) be?
- What sources of funds will be needed to meet these goals and projects?
- Review the previous year's budget (income and expenditures). Did it meet the needs of your PTA? Were changes needed? Were there income sources used that were not successful?

Note: There should not be a miscellaneous line item in your budget. All approved expenses should be included in a specific line item.

Funds Not Belonging to the Unit

District, state, and National PTA portions of membership dues are not a part of the unit's funds and are not to be used for expenses. They should not be included in the annual budget. These funds should be reflected at the bottom of the treasurer's report for tracking purposes. The state and national portions of membership dues collected are to be paid

monthly to the Kentucky PTA. The district portion of the dues is billed in arrears at the end of the fiscal year; these funds should be kept in a general bank account and reflected in the treasurer's reports as restricted funds, until paid.

Recommended Budget Income and Expenditure Line Items

When developing a PTA budget, the following are some items to be considered. This is not a complete list; create your budget to fit your PTA's/PTSA's programs, projects, and needs.

- **Carry-Over Funds**—Funds that are set aside to begin operations at the start of the next PTA fiscal year, prior to the approval of the budget
- **Contingency Funds**—Monies that remain after making allocations for budgeted programs and activities and that may be used (with board approval) to cover any unexpected or unplanned expenses in the current fiscal year

Continued on page two

Treasurer's Report: *It's Budget Time!*

Continued from page one

- **Training/Convention**—Budget to send board members to the 15th District Fall Conference and to the Kentucky PTA State Convention/Leadership. This is an important and highly recommended expense line item for all PTAs/PTSAs.
- **Donations**—If you receive \$5 and your membership dues are \$4, the remaining \$1 would be a donation. If money is donated for a specific program or project, you will need to add a Restricted Funds line item.
- **Fundraisers**—Income: This is the **gross** income from the fundraiser. Expense: There should be a corresponding line item for each fundraiser. **List each fundraiser individually.**
- **Bonding Insurance**—Enrollment and participation are strongly encouraged because they provide protection of your PTA/PTSA funds. The annual cost is only \$250 for the basic policy. If you currently don't have this coverage and/or would like more information and an application, contact Sheila at the Underwriters Group at **244-1343**.
- **Membership Dues**—This is only the portion of the dues remaining after deducting

district, state, and national portions. Each PTA/PTSA unit determines its own membership dues, and this amount can be found in the current bylaws. A portion of each membership dues collected belongs to district, state, and National PTAs. See the above information in the "Funds Not Belonging to Unit" section.

- **Membership Administrative Costs**—The cost of printing membership envelopes and the cost of prizes for membership contests are examples of expenses that could be included in this line item.
- **Reimbursable Expenses**—Board members and committee chairpersons should be reimbursed for any approved out-of-pocket expenses, and this reimbursement should be reflected on the appropriate expense line item. PTA funds may not be used for personal expenses, personal acknowledgments, or personal use items. Receipts must be submitted for all reimbursable expenses.
- **Office Supplies/Postage Costs**—This could include the purchase of paper for printing reports, newsletters, and fliers and for postage to mail reports and awards.

Note: Other line items could include Benevolence/Sunshine Fund, Cash for Trash (Box Tops, Best Choice), School Spirit, Auction, Graduation, Kentucky Kids' Day, Holiday Store, Staff/Teacher Appreciation, Yearbooks, Student Incentives and Activities, and Family.

included in the budget (i.e., state/national/district dues). Restricted funds should be noted as such.

Amending the Budget

Since the budget is only an estimate, changes may be necessary. The budget may be amended by a vote of the PTA membership at any regular meeting or at a special meeting called for that purpose. To amend a previously adopted budget, with no notice sent out, it is necessary to have a two-thirds vote. If proper notice is given, only a majority vote is needed. Check your unit's bylaws for specifics on notice timeframes.

Expenditures

All expenditures must be reported to the board and included in the treasurer's regular financial report to the membership. Any additional expenditure not provided for in the budget must be approved by the membership. The regular financial report should be attached to the minutes of the meeting at which it is presented. Changes in the budget, whether in income or expenditures, must be presented as amendments to the budget.

Theresa Mayfield, Treasurer

Thank You!

We continue to reach out to many of our schools and local organizations to spread the word about the Kentucky Core Academic Standards (KCAS). I want to thank the following groups for having us present this valuable information to their parents and community.

Parents, if you are looking for ways to help reinforce your child's educational experience during the summer, check out the National PTA's *Parent Guides to Student Success* and do some of the activities that are listed on the back of the brochures. Also, through the help of the JCPS Gheens Institute for Curriculum and Instruction, we have a list of books that relate to the standards. Check some of these out at your public library. Both can be found at www.15thdistrictpta.org.

Things to Do in June

- Find your bylaws; they are the backbone of your PTA.
- Fill any vacancies on your board.
- Make sure all incoming officers know about the Kentucky PTA Leadership Conference from **July 19 through 21**.
- Close out the financial books, and prepare them for audit.
- Send in your Officers List, with all incoming board members' names and contact information, to the 15th District PTA and Kentucky PTA.
- Be sure all procedure books are passed on to the incoming officers.

Things to Do in July

Once the financial books have been closed, make sure an audit has taken place before the new treasurer accepts the books.

- Attend the Kentucky PTA Leadership Conference.
- The board should meet and begin planning a tentative calendar and goals for the new year.
- Develop a membership theme and campaign.
- Devise a budget.

Approving the Budget

The budget is to be presented to the PTA Board for consideration. If approved, the budget is then presented to the general PTA membership for approval. Presentation of the budget is made during the PTA's/PTSA's general meeting where a quorum is determined to be present. A majority vote of the membership present must approve the budget. Monies that do not belong to the PTA should not be

Back-to-School/ Back-to-PTA Conference

Save the date of **Thursday, September 20, 2012**. The conference will be a new format this year. The cost is \$5 a person, and a light continental breakfast and buffet lunch will be provided. We are going to help you kick off your PTA/PTSA school year on the right track. More details are to come, so stay tuned.

Reflections

As you start to develop your projects and programs for the next school year, don't forget to include the Reflections Program as one of your projects.

This is a National PTA arts in education program. Its purpose is to provide all children and youth with an opportunity to experience the self-fulfillment of creative expression through the arts. The primary goal of Reflections is for all children and youth to have the opportunity to participate. Although it is a program with recognition and awards at the local, district, state, and national levels, the importance of participation should be emphasized over winning an award. Students may submit entries in the areas of music, photography, visual arts, literature, dance choreography, and film/video production. Each year, there is a different theme for the program. For the 2012-13 school year, the theme will be "The Magic of the Moment"

Packets will be sent out to all schools, PTA presidents, art teachers, English teachers, music teachers, and physical education (PE) teachers at the beginning of the school year. The deadline for entries to be sent to the 15th District PTA is **October 25, 2012**.

Please work together to provide this wonderful opportunity for your students.

If you need additional information, contact Sharon Whitworth, 15th District PTA Reflections chairman, at **485-7450**.
