

## Superintendent's PTA Membership Club

Have you joined the PTA this year? PTA is the largest child advocacy group in the United States, with more than six million members and 23,000 local units. Even if you don't currently have students in JCPS, PTA membership is one definitive way of bringing attention to the cause of public education.

Your membership will help support campaigns at every grade level. PTA is more than just bake sales and festivals. PTA provides training for parents and caregivers. PTA fundraises for our schools. PTA lobbies at the local, state, and national level concerning issues important to education. PTA provides an army of volunteers to support school and District initiatives.

If you are already participating with PTA, thank you for your time and support. If not, please take a moment to fill out the Superintendent's PTA Membership Club form. For a small investment of \$5, you can provide support to all of our Jefferson County Public Schools.

Please send the completed form by Pony mail or mail to:
