## President's Letter

### President's Letter

We had the opportunity to meet many of you at our Back-to-School Conference on September 24. It was amazing to see such high attendance this year and how dedicated Parent Teacher Association (PTA)/Parent Teacher Student Association (PTSA) leaders are to making the students, families, teachers, and administrators at your schools feel important and valued. It is this connection between families and schools that we want to make better, stronger, and more viable. I am thankful for all PTA/PTSA Board members for stepping up at their schools in order to make a positive difference in the lives of our students.

November is traditionally the month when we express thanks for all the blessings in our lives. Many of us gather with family and friends, eat more food than we need, and make plans for the next holiday get-together. But far too many of our Jefferson County Public Schools (JCPS) families will not be able to do these things over Thanksgiving Break. Many will go to shelters, food banks, or community centers. I urge you to remember that we must work together to help all of our students.

As a PTA leader, you are charged with heading up efforts that promote and support parent/family involvement. Collaborate with your principal, the Family Resource and

Youth Services Center (FRYSC) coordinator, or school staff to plan a literacy, math, or technology night. The possibilities are endless, and you can tailor programs to all the needs of your school. You can also use this month to recognize and celebrate the importance and uniqueness of all the families in your school.

We are thankful for you and all you do on behalf of the children in our community.

Sincerely,

Heather Wampler, President

## PTA Retention

Did you know it's easier to keep a PTA member than gain a new one? It's true. Membership statistics show that you have to put more effort in recruiting a new member than asking an existing member to return. Membership retention is not about sending a letter once a year to current PTA members asking them to return. Retention starts from the first day you recruit a new member! Here are some quick steps to help you retain members from year-to-year.

**Encourage engagement now!** Ask new members to get involved with your PTA right away. Welcome them to your PTA by inviting them to an upcoming meeting or asking how they wish to share their skills/talents.

**Provide useful resources.** New members want to know how their PTA membership can help them. Provide tools and resources to help their children reach their potential. Take a survey of your PTA members

to learn if your PTA provides relevant tools and resources for your school and community.

**Keep in touch!** PTA members want to be knowledgeable about their children, school, and community. Keep them informed about events that affect their child. Connect a new PTA member with a returning member to form a "tag-team," keeping new members up to date on PTA happenings. E-mail and call members on a regular basis with news they need to know.

**Ask for renewals.** Remind members of the successes your PTA has achieved throughout the year and ask for membership renewal. Sharing your achievements helps PTA members stay connected, understand the value of PTA membership, and stay energized! Use phone, e-mail, and social media to ask for renewals. View steps to plan for membership renewal at [www.ptakit.org](http://www.ptakit.org).

Remember, successful PTA membership retention leads to a strong membership base, strong school and community ties, as well as a strong pool of potential PTA leaders. Keep your members empowered, strong, and responsible with engagement that starts on day one!

Best wishes for strong PTA membership,

The National PTA Membership Team

## Raise Your Hand for Student Success

What is American Education Week?

American Education Week is **November 17 through 21, 2014**. The week presents all Americans with a wonderful opportunity to celebrate public education and honor individuals who are making a difference in ensuring that every child receives a quality education. The weeklong celebration features a special observance on each day of the week:

### **Monday, November 17: Kickoff Day**

Across the country, schools will celebrate excellence in education by hosting kickoff events and activities.

### **Tuesday, November 18: Parents Day**

Schools will invite parents into the classroom for a firsthand look at what the school day is like for their child.

### **Wednesday, November 19: Education Support Professionals Day**

Education support professionals keep schools running and keep students safe, healthy, and ready to learn.

### **Thursday, November 20: Educator for a Day**

Community leaders will be invited to experience the day as educators and experience the challenges of teaching and the needs of students.

### **Friday, November 21: Substitute Educators Day**

Substitute educators play a vital role in the maintenance and continuity of daily education.

For additional ideas on ways your school can celebrate American Education Week, the National Education Association (NEA) is offering a free, online tool kit at [www.nea.org/aew](http://www.nea.org/aew).

# One Call

Parents/Guardians of students at Fern Creek Traditional High and Fern Creek Elementary who were successfully enrolled with the One Call Now notification service received three text alerts during an emergency on the afternoon of Tuesday, September 30. The alerts provided them with specific instructions about what was happening and where they should go to find their children.

One Call Now is the service that delivers these text messages for JCPS. In order for these alerts to succeed, parents must (1) have their updated cellular phone information on file with Parent Portal and (2) subscribe to the service.

Parents/Guardians should first log in to Parent Portal and check the cell phone numbers on file. If the numbers are accurate, proceed to step two. (If the cell phone numbers on file are outdated, contact your child's school and ask a secretary how to get those numbers updated. The school staff members are the ones who update the numbers.)

Parent Portal uses technology that automatically matches your cell phone numbers with your child's school or schools. In the event of a lockdown or other emergency, the service is able to tailor the messages to parents of specific schools or on a districtwide level.

To subscribe to One Call Now, send a text message to 22300 that says "Alert." Once you do this, you will receive a confirmation text. Any alerts at your child's school will be directed to you through a text message. Depending on your cellular service plan, some people may receive extra fees when they receive text messages.

Keep in mind that this trusted notification service only works if your updated and accurate cell phone numbers are on file with Parent Portal. Many principals are sending information home to parents to remind them about this service and about the steps they need to successfully receive alerts.

Check those numbers in Parent Portal!

## Please Join the Superintendent's PTA

- The Superintendent's PTA is a great way for individuals to join a PTA who might not otherwise be able to join a local (school) PTA unit.
- If you have joined a local unit, you can also join the Superintendent's PTA.
- The cost to join is just \$5, and part of the money raised helps support CAP.
- The more members that the PTA has as a whole, the more the PTA can help with advocacy for children.

Last year, millions of dollars for education were going to be removed from the Kentucky state budget. With the rally cry of the PTA, we were able to keep that money in the Kentucky state budget. The PTA has a voice, and with each member who joins, we add to that voice.

Please contact John Buie, the 15th District PTA Membership VP, at [15thdistrictpta.2ndvp@gmail.com](mailto:15thdistrictpta.2ndvp@gmail.com) with any questions or concerns.

# Time Is Almost Up to File Your IRS 990

**The deadline is here! Every PTA unit must file its 990 Form with the IRS by November 15 of each year.** What type of form must be filed each year depends on the organization's financial activity.

**All PTAs are required to submit Form 990s, regardless of annual income.**

To find out what form of the 990 you need to file, check out the National PTA *Money Matters Quick Reference Guide* or the "Financial Matters" section of the *Kentucky PTA Leaders' Notebook*. Both of these resources are available online.

For most PTA units, the average gross receipts are \$50,000 or less, so you will be filing the 990N, which is completed online. There is **no** reason to pay someone to file this return for you.

## 990N (eFile - Online) Return Filing Instructions

1. Go to the IRS Web site at <http://epost.card.form990.org>. No special software is required, just Internet access.

2. Register as a user, and obtain a login and password. The login and password are specific for the individual, so there is no need to pass along the information from the previous filer. You can have multiple users.
3. Write down your login and password, and keep them in a safe place.
4. Create the e-Postcard using the following items:
  - Parent Company Name: PTA Kentucky Congress (Group #5110)
  - Federal Employer ID Number (EIN) of your PTA/PTSA: **61-**\_\_\_\_\_
  - Tax Year: **July 1–June 30, 20\_\_** (fiscal year)
  - Legal Name of PTA/PTSA: **XYZ PTA** (as it appears on bylaws)
  - Mailing Address: **Use school address.**
  - Web address (if one exists)
  - Name and address of a principal officer (**president or treasurer** [use home address])

-- Confirmation that the organization's annual gross receipts are normally \$50,000 or less

## After You Have Filed Your IRS 990

If you filed:

**990N**—After completion of filing, you will receive an e-mail from the IRS stating that your return is accepted. Provide a copy of the e-mail to the PTA/PTSA president, school president, 15th District PTA, and Kentucky PTA, and keep a copy in the Treasurer Binder.

**990EZ/990**—Make a copy of the completed tax return and schedules A and B. Mark the date it was mailed in the right corner. Provide a copy of the tax return to the PTA/PTSA president, school president, 15th District PTA, and Kentucky PTA, and keep a copy in the Treasurer Binder.

At your next board meeting, let the board members know that the IRS 990 has been filed. Be sure that this information is included in the meeting minutes.

Tax returns must be made available for public inspection for a three-year period beginning with the due date.

**Important Note:** Never disregard any mail you receive from the IRS. Open, and respond promptly. If you are not sure what they are asking for, call the 15th District PTA. We are here to assist you.

PTA members believe that all children and families, regardless of their religion, race, color, ethnicity, or socioeconomic condition, are important and have value. Dear Community Stakeholder,

It's that time again! We are very proud to announce that we will soon be starting our Professional Learning Community (PLC) Rounds. The Jefferson County Public School (JCPS) District extends this invitation to you to be a part of our PLC Rounds. Please join us as we visit schools and show you exactly how teachers are striving to ensure that all students are reaching their highest potential. PLC Rounds align perfectly with the District's *Strategic Plan Vision 2015*. Particularly, the following strategies:

- 3.3 Increase the number of community-based opportunities/experiences to support student learning, including service learning, the arts, and enrichment experiences. Increase the use of Parent Portal.
- 3.4 Think big! Plan with parents, teachers, administrators, and community stakeholders, and seek support and funding for major initiatives that will impact student learning. Design community engagement — a movement around increased learning time — that includes tracking family activities that support learning.
- 3.5 Collaborate with PTA, JCTA, JCASA, community organizations, and institutions of higher education to increase the “concerted cultivation mindset” among parents in the community so that they become our partners in the “educational cultivation” of our children.

# CAP

## Clothing Assistance Program

As of October 1, 2014, we have served more than 3,000 students at the Clothing Assistance Program (CAP). That's less than three months. Plans are already in the works for various clothing drives within the school system and in the community. Everybody is aware of the benefit that CAP provides, and the clothing is coming in. We just need volunteer help badly to get the clothes sized and hung on the racks. If you can give just one hour on a Tuesday, Wednesday, or Thursday, please consider helping. Call **485-7062** to volunteer. We are usually open on the second Saturday of the month for those who can't help during the week or for students who need service hours.

I want to thank the Knit and Qvell Circle at Congregation Anshel Sfard for hand-knitting our hats and scarves for our students. The members have helped us out with the knitting all year long. We meet monthly to receive the knitting from this wonderful group of ladies. We are welcoming a new group—Three Sisters, Wings of Hope—that has offered to knit for us as well. Thank you to Penny Vaughn, head of the group. They have been knitting for Hosparus, University of Louisville (UofL) Pediatrics, and nursing homes for more than 12 years. Donations of kids' clothes are always welcome. Men's and women's **extra large** and larger clothing is needed as well. Thanks to those volunteers who are helping or have already helped us this year. It is so appreciated.

## Awards

Do you know a local public school board member who has gone above and beyond the call of duty? Show your appreciation by nominating him or her for an award!

The Proudfoot Award is presented annually to a Kentucky Public School Board member who has exhibited distinguished leadership and service to the community during his or her tenure on the local school board. This award is named after the late Dr. Warren H. Proudfoot, a member of the Rowan County Board of Education and past president of the Kentucky School Board Association. Nominations may be based on significant contributions over a sustained period of time or for one outstanding contribution during the period of service. Nominees should be active advocates for public education and for learning advancement opportunities for all children within the community.

To nominate a board member for the Proudfoot Award, follow the criteria on the form found in the *Kentucky PTA Leaders' Notebook* or online at [www.kypta.org](http://www.kypta.org). The deadline is **November 15, 2014** (postmark date). Faxed or e-mailed copies are not acceptable.

Remember your district and state awards for the 2014-15 school year. Forms and criteria can be found in the *Kentucky PTA Leaders' Notebook*, on the Kentucky State PTA's Web site at [www.kypta.org](http://www.kypta.org), or on the 15th District PTA's Web site at [www.15thdistrictpta.org](http://www.15thdistrictpta.org).
