President's Letter

President's Letter

Welcome back to another school year! This is the time to prepare for not only our students for the school year but also our Parent Teacher Association (PTA)/Parent Teacher Student Association (PTSA). Here are some suggestions to help you get the year off to a great start:

- Turn in your 2015-16 Officers List to 15th District and Kentucky State PTAs.
- Have your financial books audited as soon as possible. Complete the Financial Review Form, and file a copy with the Kentucky State PTA and 15th District PTA.
- Order your unit's Official Back-to-School Kit from the National PTA at www.pta.org/officialkit.
- Pick-up your Leaders' Pack from the 15th District PTA. Call **485-3535** to make arrangements.
- Attend the Back-to-School/Back-to-PTA Conference on **Wednesday, September 23**.
- Check to see if your bylaws are up to date.
- Have your entire board identify goals for the year, develop a budget based on those

goals, and prepare to fundraise to meet those goals.

- Establish standing committees to help you meet your goals.
- Recruit volunteers.
- Start your membership campaign.
- Contact your principal and board to set dates for your monthly board meetings and the association (general) meetings.

Contact Nikki Hockman, fifth vice president, to attend a communitywide board training. Her email address is training@15thdistrictpta.org.

Look inside this issue for help with this checklist and more information to help your PTA/PTSA get off to a great start. Remember that the 15th District PTA Board is only a phone call or email away to assist you with any PTA questions or concerns. We can help you with everything from setting up the board to answering your fundraising questions. We look forward working with you in the upcoming year!

**This Financial Review information should be presented to the PTA/PTSA
at its first general meeting after the completion the financial review.**

Remember to mail this report to Kentucky PTA and keep copies for your records.

Here's the 411 on Completing the Annual Financial Review: Why, When, How

Kentucky PTA bylaws require every local unit to complete a Financial Review and submit completed form to Kentucky PTA. A Financial Review **must** be completed **every year** even if the current treasurer has been elected for another term and/or if you have 2-year terms.

The purpose is to certify the accuracy of the books and records of the treasurer and to assure the membership that the association's resources/funds are being managed in a businesslike manner within the regulations established for their use.

When?

Annual Review: Financial Review must be completed after the end of the fiscal year (**June 30**). The completed form must be received by Kentucky PTA, 15th District PTA, the school principal, and PTA/PTSA treasurer by **August 15**. The incoming treasurer should not accept/receive the checkbook and records until a Financial Review has been completed and he or she has been given a copy of completed form.

Change of Treasurer: A Financial Review should also be completed if your treasurer resigns or is removed. Contact the 15th District PTA to complete this review.

Request Made/Concerns Expressed: A Financial Review should also be performed any other time that is deemed necessary or if concerns or request is made by PTA member to the board or 15th District PTA.

How?

Committee Selection

The process for selecting a Financial Review Committee is in the PTA/PTSA's bylaws, Article VII, Section 1. The committee should be an odd number and generally consists of three members. Anyone who was a check signer for fiscal year being reviewed and/or will be check signer for the upcoming fiscal year may **not** serve on the Financial Review Committee. Also, anyone related to, or lives in the same home as, a current or upcoming check signer should not serve on the Financial Review Committee.

Treasurer Duties

The time period for the records/documents is the most recent fiscal year. For most PTAs/PTSAs, the fiscal year is July 1 through June 30; check your bylaws to confirm fiscal year dates.

The treasurer should gather the following items in preparation for the Financial Review; then deliver items to the Financial Review Committee as soon after end of the fiscal year as possible.

- A copy of the Financial Review Form for previous fiscal year. If there was more than one Financial Review completed, provide a copy of all forms.
- The checkbook, including all unwritten checks, copies of all cleared checks (most bank statements have the cleared checks on them or PTA can print online), check stubs, and all voided checks

- Bank statements (all pages) and deposit receipt records
- The treasurer's binder, book, or ledger (should include check requests, supporting documentation for all expenditures, deposit summary forms, funds received forms, and supporting documentation for deposits)
- The check register/ledger listing all transactions
- The year-end treasurer's financial report
- Copies of all monthly treasurer's reports
- Copies of board, executive committee, and organization minutes for meeting when initial budget was approved and for when any amendments that were approved
- A copy of approved current fiscal year's budget and any approved amended budgets (if any). All budgets should be signed by treasurer and should reflect dates when approved by board and general membership.
- A copy of current bylaws and standing rules
- A copy of last 990 tax return filed or if filed online. Provide evidence of acceptance by IRS.
- Any other information that treasurer feels would be helpful to the Audit Committee
- The current Financial Review Form for committee to complete (It can be found online at www.kentuckypta.org)
- A copy of this article so they have guidelines to complete the Financial Review

Note: No checks are to be written after **June 30**; the books are closed until the Financial Review is completed. The incoming treasurer may make deposits-only into the PTA/PTSA bank account. No expenditures may be made from the PTA/PTSA account until the Financial Review is completed. This still applies even if the treasurer is continuing on as treasurer.

During (Review):

Once the Financial Review Committee has been selected and the committee has received the documents/records from the treasurer, members can begin the review. The Financial Review should be completed as quickly as possible. All members of the Financial Review Committee should be present and complete the review together.

- Start the review with the records posted after the Last Financial Review. Check and confirm that the amount shown on the bank statement corresponds to the starting balance recorded in the checkbook, treasurer's report and budget.
- Do a sample of transactions (expenditures and deposits). Typically, 10 to 20 percent is a good sample base. If there are no concerns or need to review complete records, then, using bank statements and treasurer reports, complete the Financial Review Form and have all committee members to sign form. If mistakes are found, the sample should be broadened to take in more transactions. At some point it may be deemed necessary to review all the transactions of a PTA/PTSA. Some items to look for:

continued on page 4

continued from page 3

- Monthly bank reconciliation
- Unexplained reconciling items
- Disbursements not supported by invoices or other documentation
- Blank checks secured in a safe place
- Deposit ticket dates timely with dates received by bank
- Timelines of deposits based on known dates of events
- Checks written in sequential order
- All invoices/expenses were paid by check and not cash
- Make certain state and national portions of the membership dues have been kept separate from other receipts and forwarded immediately to the Kentucky PTA office.
- Make certain that money collected or donated for a specific purpose has been so disbursed.
- Check treasurer's monthly reports and year-end annual report for accuracy.
- After any errors have been corrected by the treasurer and the president is satisfied that the financial accounts are correct, draw a line across the ledger and checkbook register where the Financial Review concludes and committee chair to sign and date the ledger using a different color ink: "Examined and found correct. (Name) (Date)."
- If all is in order, the Review Committee is to prepare and sign the Financial Review Form provided. The Financial Review Form must be mailed or faxed to Kentucky PTA and received by August 15 each year, to remain a unit in good standing.
- Also, make copies of the completed and signed form and give to 15th District PTA, school principal, incoming treasurer, and president. If additional blank copies of the form are needed, they can be found at www.kentuckypta.org.
- The Review Committee must also submit a report in the event that there are not adequate records available to conduct a proper accounting of the PTA/PTSA's funds. This report should indicate the information that is needed to complete a proper review.
- If during the Financial Review the committee has questions or needs assistance, contact the 15th District PTA at **485-3535**. We are always here to assist you!

After:

The Financial Review Report is to be presented at the first general meeting of the year and must be officially adopted/approved by the general membership and included in a completed annual report covering the PTA/PTSA's entire fiscal year.

If there are questions or concerns about the validity of the Financial Review Report, the PTA/PTSA may contact us for direction and clarification. The 15th District PTA is available to perform a Financial Review.

As always, our entire 15th District PTA Board is here to assist you. Please don't hesitate to contact us.

Kentucky PTA Kids' Day

Kentucky PTA Kids' Day is on **Tuesday, September 29**. This special day was created in 1985 by the Kentucky PTA to celebrate our students. This is a wonderful opportunity to show that each student is unique, special, respected, and loved. We encourage the PTA in your school to do something special for your students. Here are a few ideas:

- **Pat on the Back**—Have students make construction paper handprints. Tape the handprints to their backs with masking tape. Everyone receives a pat on the back because every student is special!
- **Go Hollywood**—Students arrive at school to walk the red carpet into school and to be met by the PTA paparazzi taking their picture (or just have flashes going off). Have a contest in which students decorate classroom doors with movie themes. Volunteers dressed like movie stars could visit to read to classes, or local TV celebrities could talk to middle and high school students about careers in the industry. PTA volunteers could approach students in the lunchroom for their autographs. To remember the day, use the autographs and pictures of the day to make a Kentucky Kids' Day at My Elementary School book.
- Have students plant spring bulbs on school grounds and have a party to celebrate in the spring. Remind the students that they are like the flowers and grow (bloom) with love and attention.
- Put a mirror in the front hall. "The most important person in this school is looking at you" can be written above or below the mirror.
- Have the principal declare Kentucky Kids' Day a "no homework day." Give parents the "homework" of hugging their child today.

You can find more ideas at www.15thdistrictpta.org or at kypta.org. If you do something different, make sure you apply for an award from the Kentucky PTA and the 15th District PTA.

Reflections

As you start to develop your projects and programs for the next school year, don't forget to include the Reflections Program as one of your projects. This is a National PTA Arts in Education Program. Its purpose is to provide all children and youth with an opportunity to experience the self-fulfillment of creative expression through the arts. The primary goal of Reflections is for all children and youth to have the opportunity to participate. Although it is a program with recognition and awards at the local, district, state, and national levels, the importance of participation should be emphasized over winning an award. Students may submit entries in the areas of Music, Photography, Visual Arts, Literature, Dance Choreography, and Film/Video Production.

Each year, there is a different theme for the program. For the 2015-16 school year, the theme will be "Let Your Imagination Fly."

Each student may enter one time for each of the following six art areas:

Special Artist students can enter in each area in the Special Artist category.

- Literature
- Musical Composition
- Photography
- Visual Arts
- Dance Choreography
- Film/Video Production

Each student enters in one age category:

- Primary—Preschool Through Grade Two
- Intermediate—Grades Three Through Five
- Middle/Junior—Grades Six Through Eight
- Grades Nine Through Twelve
- Special Artist—Ungraded

This is the fourth year in which the National PTA has included a Special Artist division in their judging, so please don't forget to include those students also.

The local PTA can submit entries to the district by **October 22**.

Entry is limited to one entry for each grade in each category (e.g., Music, Photography, Visual Arts, Literature, Dance Choreography, and Film/Video Production).

Example: A PTA can enter one entry in third grade, fourth grade, and fifth grade (which is the Intermediate category) in the category of Music. They can also enter one entry in the category of Music in preschool, kindergarten, first grade, and second grade (which is the Primary category) and so forth.

What to Do

- Familiarize yourself with the materials in the Kentucky PTA Leaders' Notebook for PTAs/PTSAs. Reflections Chairperson Sharon Whitworth (**485-7450**) has sent out information packets through the Pony to PTA presidents, principals, art teachers, music teachers, physical education (PE) teachers, Family Resource and Youth Services Center (FRYSC) coordinators, and literature teachers. All of these people should serve as a committee to develop your program.
- Develop a Reflections Program planning calendar using the District PTA deadline (October 22, 2015) as your guide. Set interim deadlines and identify key steps to meet your calendar deadlines.
- Establish a budget for your school's Reflections Program. Use this budget to prepare informational materials, to encourage student participation, to promote the Reflections Program with parents and community members, and to fund a recognition event for student winners at the local school level.
- Publicize the Reflections Program and the "Let Your Imagination Fly" theme in your school or PTA/PTSA newsletter.
- Select impartial, qualified judges. Inform judges of the criteria to be used in evaluating/judging Reflections Program entries. (Refer to the rules for each category.) Inform all participants that the judges' decisions are final. **Important:** Ensure that all students' personal information (names, addresses, etc.) is hidden from judges' view.

The Reflections Program is structured for PTAs to recognize students at the local, district, state, and national PTA levels. Remember to coordinate your Reflections Program with your English, music, art, and PE teachers. Please work together to provide this wonderful opportunity for your students.

If you need additional information, please contact Sharon Whitworth, 15th District PTA

Reflections chairperson, at **485-7450** or at sharon.whitworth@jefferson.kyschools.us.

Clothing Assistance Program (CAP)

Each local PTA is asked to send volunteers to work at the Clothing Assistance Program (CAP) twice a year. Volunteers are asked to work two to three hours between 10 a.m. to 1 p.m. on their assigned days. It is critical we have schools send volunteers, as CAP is solely run by volunteers and we need everyone to make this program successful.

CAP is located at 319 South 15th Street. Going west on Muhammad Ali, take a right onto 15th Street, and our entrance is at the end of the football field fencing before the next intersection. If you have any questions, contact us at 485-7062 or jcpscap@jefferson.kyschools.us.
