The following statement is being released by Sienna Newman, President of the 15th District PTA

“The 15th District PTA wants to applaud JCPS’s decision to cancel school under the current transportation issues.”

“The PTA sincerely thanks all the JCPS teachers, faculty, and staff that worked diligently after hours to assist our students in navigating the busing situation. We are extremely grateful to the bus drivers who were determined to get every child home safely.”

“The PTA understands that JCPS is working on logistical issues and offers our continued support in ensuring what happened on Wednesday August 9th never happens again.”

“The PTA stands with our families in requiring that an adequate and equitable solution is found before JCPS returns to school.”
